

Rubber Industry Leaders Meet at Rubber Eurasia Fair!

Rubber Eurasia Fair, the only fair of the rubber industry in the Eurasia Region, is ready to bring together the actors of the sector between 17-20 April 2024. Important representatives of the sector, which will come together for the 11th time at Tüyap Fair and Congress Centre, will have the opportunity to examine the latest technologies of the rubber industry under one roof.

Countdown Started for the Leading Fair of the Sector

Rubber products, rubber machinery, raw materials and laboratory technologies will be presented on a single platform at the fair, which stands out with its wide scope. The fair, which will host international exhibitors and visitors, aims to strengthen the existing business connections of the exhibitors while establishing new business associations. Rubber industry professionals from all over the world who attend and visit the fair will have the opportunity to expand their business network by establishing new business contacts. The big meeting of the industry will take place on 17-20 April 2024.

Free Ticket Opportunity Continues for Visitors

Those who want to visit the fair, which is expected with interest, can get their free tickets from www.kaucukistanbul.com. The fair can be visited between 10.00-18.00 for three days and between 10.00-17.00 on the last day.
