

Rubber Eurasia Fair is Preparing to Bring the Sector Together for the 11th Time

Rubber Eurasia 2024, the 11th Rubber Technologies, Rubber Products and Raw Materials Fair, is getting ready to be the meeting point of the rubber industry on **17-20 April 2024** at Tüyap Fair and Congress Center Istanbul by Tüyap Tüm Fuarçılık Yapım A.Ş. in cooperation with the Rubber Association. The fair, which will host professional exhibitors and visitors from all over the world, attracts attention with its feature of being the only fair in Eurasia in its sector. All the latest products of the rubber industry will be exhibited under one roof at the exhibition, which is highly anticipated by the industry.

Rubber Eurasia, the only fair in Eurasia in its sector, will offer great commercial opportunities

Rubber Eurasia Fair, which offers an indispensable commercial platform for industry leaders, offers the chance to examine thousands of product types together, establish new business associations and seize great commercial opportunities. The fair, where industry professionals will have the opportunity to open up to new national and international markets and exhibit the latest technology products and services, will provide a commercial marketing environment where they will meet with qualified visitors from all over the world.

The fair stands out with its wide scope

The fair stands out with its wide scope; **Rubber Products** (Automotive seals, automotive tires, seals, rubber diaphragm, filters, piping, hoses, couplings, pulleys, belt, conveyor belt, rubber seals, rubber sheet, mushroom seals, metal seals, O-ring), **Raw Materials** (Synthetic rubbers and latex, natural rubbers and latex, accelerator, activator, flame retardants, dyes, cross linking agents, natural and synthetic resins, inhibitors, rubber-metal adhesive, blowing agents, metal oxides, plastifiers, process aid, vulcanisation chemicals), **Machinery** (Injection, mills, strip feeder compound, haul off, hot air tunnels, calendars, mould, internal mixers, autoclaves, press, extruder, chillers), **Laboratory** (Abrasion meter, elasticity, etu, rheometer, shoremeter, tensometer, viscosimetre, density determination kit).

Stand Sales Continue Unabated

The Rubber Eurasia Fair, which will take place on 17-20 April 2024, aims to bring together 200 exhibitors from 30 countries and 7,500 professional visitors from 70 countries. The stand sales of the fair, whose marketing activities continue at full speed, continue with intense interest. To be an exhibitor at the fair, you can fill out the booth participation form on our website.
