

RUBBER INDUSTRY GATHERED AT RUBBER 2016

Organized by Tüyap in cooperation with The Rubber Association, Rubber 2016, "İstanbul 9th Rubber Industry Fair" took place between November 24 - 27, 2016 at Tüyap Fair Convention and Congress Center Istanbul, Turkey.

Above 200 companies and company representatives from 24 countries participated in Rubber 2016, where the rubber industry premiered latest products, technologies and innovations. Rubber 2016 provided an excellent marketing platform and offered new business opportunities in local and global markets by bringing together the rubber industry in a trade event that attracted professional visitors from around the world.

7,741 professional visitors were welcomed to the fair. The fair hosted national pavilions invited by Tüyap from 4 countries including Germany, China, Czech Republic and India.

Chemicals & Allied Products Export Promotion Council; CAPEXIL from India was proud to welcome the Rubber Fair as the country of honour for our 2016 edition. It was an opportunity for the visitors because India is the center of the production of rubber.

The scope of Rubber 2016 consisted of rubber products, machinery, laboratory and raw materials. With the wide variety of products on exhibition, Rubber 2016 served as a supply center for many industries such as rubber & polymer, plastics, automotive, machinery supply & equipment manufacturing, chemical, home appliances manufacturing, construction & building supply, packaging, mining, shoe, moulding, tyre & rubber coating, cable & pipe and other industries.

3rd Rubber Conference with international participation where developments in rubber science and technologies were shared, was also held at Tüyap Fair, Convention and Congress Center, Istanbul, concurrently with Rubber 2016 Fair. The congress was a stepping stone for "International Rubber Conference" in 2018, which will be organized by The Rubber Association in Turkey and provided an excellent opportunity to present Turkish rubber industry to the world.

Following the thoroughly successful 2016 show, the next Rubber Fair will be organized by Tüyap in 2018.
